

GUIDEBOOK – HOW TO PICK YOUR COURSES:

Check the syllabus:

To check out the course offer, have a look at LSF (the university course catalogue) by using the following link: <http://www.studium.uni-konstanz.de/en/course-catalogue/>

Click on **“course catalogue”** of the current semester (you do not need to have a log in information to do so, this option is open to everyone).

On-Line Course Catalogue (Portal für die Lehre - LSF)

The new internet portal for the course catalogue (LSF) has replaced the printed version of the University's course catalogue. The LSF will offer information about the various course offerings at the University of Konstanz and enables students to compile an individual planning guide. The courses listed reflect current offerings within each department.

You do not need log in to use the Course Catalogue or the keyword search!

Please select your study program and go to the section **“Psychology”**

- Bachelor courses for Bachelor students
- Master courses for Master students
- If you are interested in a Master course and still do a Bachelor degree, you should be at least in your 5th semester. Under this circumstance, Bachelor students can also pick a Master course

Please note:

- Please do not contact the lecturer for further information about the course. All available information is on the website
- Please check out the credit requirements (do you have to write a paper, give a presentation etc.)
- Please check out the amount of credits you will receive for the course. Please make sure to select enough psychology classes to meet the requirements of your home university.
- You can choose across the whole range our university offers, meaning also courses from other departments. Every department has a different process of assigning students to courses, if you are interested in a course of another department, please contact the responsible Erasmus Coordinator of that department
- To decide whether a course is equivalent to a course at your home university, you have to check with your home university!

Final step:

Once you have found a course you are interested in, **please use the attached Excel sheet to do list all your aspired courses and provide all the information it requires!**

Please send back the filled-in Excel sheet with all the courses you want to take. Last handing-in date is the date announced in the mail! We will sign you up for your classes!
